

# 5th IDEAL CONFERENCE 2020

11-12 JUNE 2020

Amsterdam, The Netherlands

**IDEAL2020** will bring together clinicians and researchers from all over the world to discuss the latest scientific methodological developments on investigating new surgical interventions and medical devices in a variety of clinical areas across the globe. The program will include state-of-the-art plenary lectures, workshops, sandpit sessions and selected presentations from submitted abstracts. In addition, there is an exciting informal program, which will give you the full Amsterdam experience! Congress venue at *De Nieuwe Liefde*, Da Costakade 102, 1053 WP Amsterdam.

Early bird until March 22, 2020 and capacity of 225 participants!
